# CHOICE OPTIONS IN YOUR COMMUNITY

Miami-Dade County Public Schools (M-DCPS) remains committed to the principle that all students deserve an opportunity to participate in rigorous and academically challenging courses and programs. M-DCPS understands that our economic vitality is largely derived from the productivity of well-trained people and the steady stream of innovations they produce. As we move toward a knowledge-based economy, the District needs to make bold and courageous investments in our intellectual capital. Miami-Dade County Public Schools firmly believes that strong school choice options based on quality thematic offerings will provide students a powerful foundation that will prepare them to thrive and excel in postsecondary education and the workplace. These unique programs of study will prove to be gateways to a productive life and to a positive future for our students.

Included here is a listing of choice program options that are available in your communities in STEM, International Education, Advanced Academics, Career & Technical, as well as Visual & Performing Arts. For additional information on any of these programs, please contact each school directly. You may also contact School Choice and Parental Options for additional information on Magnet programs at 305.995.1922, and Advanced Academic Programs for additional information on International Baccalaureate, Cambridge International, AP Capstone, Dual Enrollment, Montessori, and Gifted programs at 305.995.1934 or visit us online at [yourchoicemiami.org](http://yourchoicemiami.org) and/or at [advancedacademicprograms.dadeschools.net](http://advancedacademicprograms.dadeschools.net).
