

# CHOICE OPTIONS IN YOUR COMMUNITY

Miami-Dade County Public Schools (M-DCPS) remains committed to the principle that all students deserve an opportunity to participate in rigorous and academically challenging courses and programs. M-DCPS understands that our economic vitality is largely derived from the productivity of well-trained people and the steady stream of innovations they produce. As we move toward a knowledge-based economy, the District needs to make bold and courageous investments in our intellectual capital. Miami-Dade County Public Schools firmly believes that strong school choice options based on quality thematic offerings will provide students a powerful foundation that will prepare them to thrive and excel in postsecondary education and the workplace. These unique programs of study will prove to be gateways to a productive life and to a positive future for our students.

Included here is a listing of choice program options that are available in your communities in STEM, International Education, Advanced Academics, Career & Technical, as well as Visual & Performing Arts. For additional information on any of these programs, please contact each school directly. # CHOICE OPTIONS IN YOUR COMMUNITY

Miami-Dade County Public Schools (M-DCPS) remains committed to the principle that all students deserve an opportunity to participate in rigorous and academically challenging courses and programs. M-DCPS understands that our economic vitality is largely derived from the productivity of well-trained people and the steady stream of innovations they produce. As we move toward a knowledge-based economy, the District needs to make bold and courageous investments in our intellectual capital. Miami-Dade County Public Schools firmly believes that strong school choice options based on quality thematic offerings will provide students a powerful foundation that will prepare them to thrive and excel in postsecondary education and the workplace. These unique programs of study will prove to be gateways to a productive life and to a positive future for our students.

Included here is a listing of choice program options that are available in your communities in STEM, International Education, Advanced Academics, Career & Technical, as well as Visual & Performing Arts.
